From

The First Assistant to the Resident in Mysore.

To

The Dewan of Mysore

Dated Bangalore, 7th December 1893.

Sir,

With reference to Correspondence ending with your letter No. 4469/210 dated the 2d August 1890 sanctioning the payment to Mahomed Jinja-ud-din Sahib Syed of an allowance for the maintenance of Certain Services at the tomb of Mir Gulam Ali at Ancat, I am directed to forward, for such action as the Durbar may consider necessary, a Copy of a letter No. 9193 dated the 27th November 1893 from the Collector of North Arcot on the subject

to with enclosures, in original.

I have the honour to be
Your most obedient Servant

First Assistant Resident

Letter No. 9193 dated 27th. November 1893 from the Collector of North Arcot to the Resident in Mysore.

I have the honor to report the following case for the orders of the Mysore Government.

2. Mahomed Jujar-ud-din Sahib Syed of Arcot has been in receipt of a Jatteha allowance of Rs. 23/- per mensem for the maintenance of certain services at the tomb of Gulam Ali at Arcot. The allowance was sanctioned by the Mysore Government on Condition of his rendering an account of the expenditure actually incurred annually through the local officers at Arcot. Vide Proceedings of that Government, No. 4470/332 dated 2d. August 1890, Communicated with your Post-note No. 2603/398 dated 12th. August 1890. The Tahsildar of Arcot having received a petition from

received one Mouluvi Mahomed Nurud=
-din Sahib of Madras, stating that the
accounts rendered by the pensioner
are wholly incorrect and ~~untrustworthy~~ untrustworthy, &
that officer stopped the payment of
the allowance since February last,
pending the result of the enquiry
into the Complaint. The petitioner
Nurud-din Sahib, however, did not
appear before the Tahsildar subse=
=quently, in spite of many notices sent
to him by that officer who wanted to
verify the truth of the Complaint.
The Tahsildar himself made an
enquiry into the matter, and he
brings to notice that the account
kept by the pensioner are inaccurate
and unreliable; and that from the
information obtained from certain
respectable men at Surat, he found
that the presented services were not
fully performed and that a portion
of the allowance was misappropriated
by the pensioner. The petitioner, however,
states that his accounts were maintained

correctly, and requests that, as the annual Ceremony at the tomb has to be performed in December next, the allowance be paid with arrears.

3. I think that it is not for the local officers to scrutinize such accounts and that, so long as they are submitted, the allowance should be paid. In the present case the accounts are submitted. I have the honor to request that you will kindly let me know whether the pensioner may be paid the allowance, as I think he ought.
